

SCHOOL / EDUCATIONAL VISITS

At Manor Farm Fruits we believe in the importance of educating the younger generations about the journey of fruit from the plant to the plate. To this end, we provide an immersive insight into the sustainable cultivation of soft fruits and daily life working on a farm. Here's what an educational visit to Manor Farm Fruits entails for your students:

- A tractor and trailer tour around our farm with a guide who'll tell them everything they want to know about farm life and fruit production.
- The chance to go into the fields and pick strawberries of their own.
- Use of the play area and bouncy castles to let off some steam.

The whole trip lasts around two hours, we can accommodate up to 33 people (including supervisors) with a minimum group size of 8. Picnics for school parties only - by prior arrangement. Available weekdays between 9am and 5pm.

The cost is £8.50 per child with the option of a lunch bag for an additional £4.95 per child.
