

# SCHOOL / EDUCATIONAL VISITS

At Manor Farm Fruits we believe in the importance of educating the younger generations about the food chain and mankind's connection to the natural world. To this end, we provide an immersive insight into the sustainable cultivation of soft fruits and daily life working on a farm. Here's what an educational visit to Manor Farm Fruits entails for your students:

- A tractor tour around our farm with a guide who'll tell them everything they want to know about farm life.
- The chance to go into the fields and pick soft fruit of their own, includes a small punnet of fruit.
- Use of the play area and bouncy castles to let off some steam.

The whole trip lasts around two hours, we can accommodate up to 33 people (including supervisors) with a minimum group size of 8.

The cost is £9.50 per child with the option of a lunch bag for £5.95 per child.

Available weekdays between 9am and 5pm
